

KEEP CALM AND DON'T FORGET YOUR CARRY-ON

A Study in Airline Safety

Xander Hieken

BEFORE 2000, YOU WERE

633%

MORE LIKELY TO GET IN A FATAL
ACCIDENT WHILE DRIVING TO YOUR
DESTINATION

But it gets
better...

IN THE FOLLOWING 15 YEARS

Total Airline Fatalities
Worldwide 2000-14

3,109

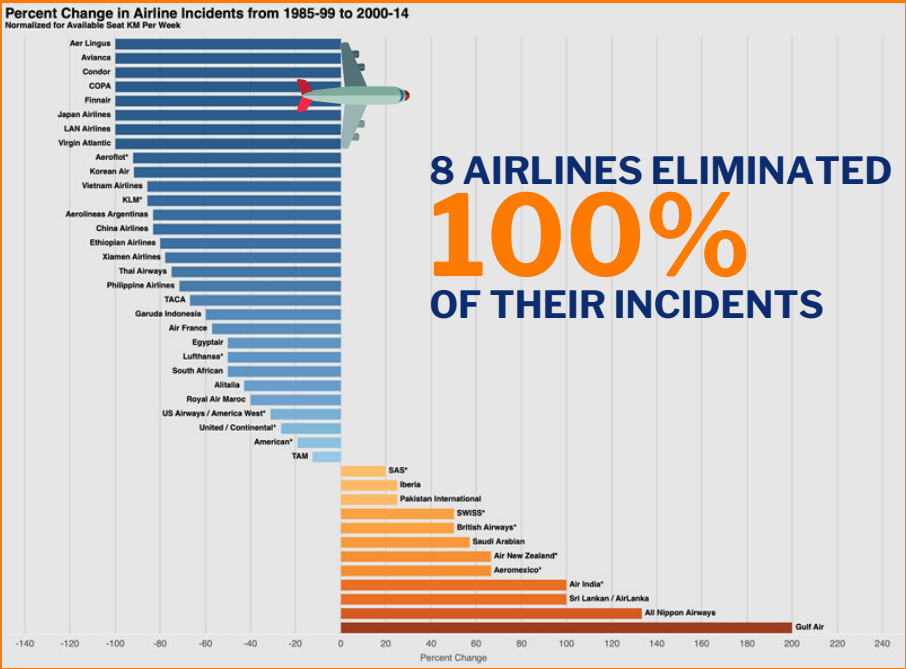

Total Highway Fatalities
United States 2000-14

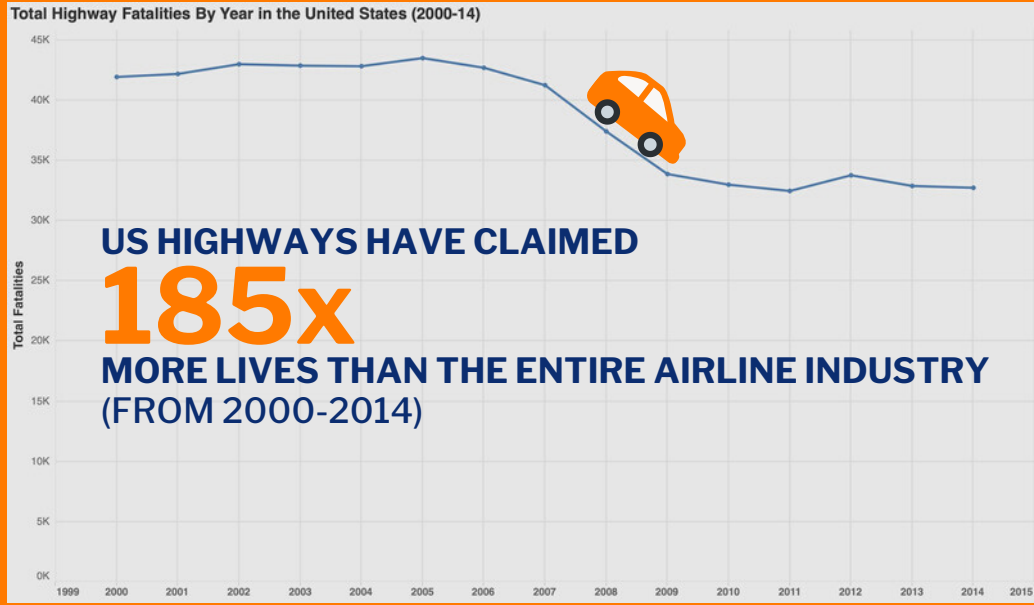

576,546

Current airline regulations have
reduced the number of incidents
across most of the industry

8 AIRLINES ELIMINATED
100%
OF THEIR INCIDENTS

US HIGHWAYS HAVE CLAIMED
185x
MORE LIVES THAN THE ENTIRE AIRLINE INDUSTRY
(FROM 2000-2014)

When you're planning your next trip,
ask yourself if it's worth the added
stress and safety risk to drive
